

Abby Eisenkraft

Speaker / Author / Tax Professional / CEO of Choice Tax Solutions Inc.

Abby Eisenkraft, EA is a tax and financial expert frequently quoted by such major and diverse media such as U.S. News & World Report, Money, The Street, Martha Stewart Weddings, Investopedia, and Yahoo Finance. She is a requested speaker for the IRS, SBA, Intuit (QuickBooks), among others.

As an IRS Enrolled Agent, Accredited Tax Advisor, Accredited Tax Preparer, and Chartered Retirement Planning

Counselor, Abby is well-qualified to speak authoritatively regarding a wide variety of topics. As a speaker, Ms. Eisenkraft brings her extensive tax and financial knowledge and experience in an entertaining and easy-to-understand way, with an emphasis on self-employment and international matters.

Soon after entering the field of taxation, Abby quickly gained a reputation for successfully dealing with difficult tax problems, including those previously unsolvable by other tax professionals. She currently specializes in tax controversy cases such as federal and state tax audits, non-filer cases, residency audits, international matters, etc.

Her first book "**101 Ways to Stay Off the IRS Radar**", hit the Amazon Top 100 soon after release. It is a fun, informative and no-nonsense look at tax mistakes people make, and how to stay out of trouble with the IRS. Her second book, "**Combat Tax-Related Identity Theft: The Workbook**" helps people navigate the complex system of identity theft.
